Mr. V. J. Mathai *(Planters)*: What about the Women's College ?

Mr. K. Karunakaran Nayar *(Nominated)*: No penalty fixed.

Mr. V. J. Mathai *(Planters)*: So, women are better than men in one way.

Mr. V. K. Bhaskara Menon *(Cranganur)*: In the National College, Trichinopoly, it is only a fine. Here the students are to lose two days for one day's absence.

Mr. K. Karunakaran Nayar *(Nominated)*: It is on the recommendation of the Principal in accordance with the practice that the University allows the exemption or refuses it.

Mr. A. B. Salem *(Mattancheri)*: It is only when shortage occurs that the matter goes to the University.

Mr. K. Karunakaran Nayar *(Nominated)*: Yes it is so.

Mr. A. B. Salem *(Mattancheri)*: Let us prevent the shortage occurring by the operation of this rule. That is the point, we are driving at.

Rao Sahib I. N. Menon *(Director of Public Instruction)*: As the Hon'ble Members will see from the Appendix there is no uniform practice. The Head of the institution must have a certain amount of discretion and the main object of this to deter students from absenting themselves. The number of holidays per year is so enormous and it is meant for those students who are coming in and going as they like. If the Hon'ble Members think that the practice followed in the Presidency College, a premier institution in the Presidency can be inserted in the place of these rules Government have absolutely no objection.

Dr. A. R. Menon *(Trichur-North)*: In the St. Joseph's College, Trichinopoly, it is very fair. A student who absents himself without leave loses one day, and if he does not justify his absence to the Vice-Principal, he is fined annas 2. We have no objection to adopt that rule.

Rao Sahib I. N. Menon *(Director of Public Instruction)*: We have no objection.

PEONS AND MENIALS IN THE PUBLIC WORKS DEPARTMENT—PARTICULARS OF

103. Mr. C. K. S. Moni *(Nominated)*: Will Government be pleased to state.—

(*a*) the total number of menials including temporary hands in the Public Works Department;

(*b*) the number of Arayans, if any;

(*c*) the number of Valans, if any?

Mr. V. K. Aravindaksha Menon *(Chief Engineer)*:

(*a*) 270.

(*b*) Nil.

(*c*) 5.

104. Mr. C. R. Iyyunni *(Trichur-South)*: Will Government be pleased to give a list of the names of peons and other menial staff in the P. W. D. according to the communities defined for Staff Selection purposes ?

Mr. V. K. Aravindaksha Menon *(Chief Engineer)*: *A list is placed on the Council table.

Mr. C. R. Iyyunni *(Trichur-South)*: Sir, from a perusal of the list it seems that out of 270 appointments made, 102 goes to the Nayars, about 45 or something like that to the Ezhuvas and about 22 or so to the Romo-Syrians, about 7 or 8 to Latin Catholics and so on.

Mr. T. A. Ramachandra Ayyar *(Nellayi)*: And for Brahmins ?

Mr. C. R. Iyyunni *(Trichur-South)*: You do not go for menial services. It has been the policy of the Government as far as possible to see that the appointments in the menial services will be made on the basis of the rules laid down for the guidance of the Staff Selection Board. In view of the fact that there is so much excess number of appointments for certain communities will the Government kindly see that the claims of other communities are not overlooked, not only that, they are also allowed to keep pace with the communities. Besides I would request the Government to have the number at least published. I don't want other details.

Mr. V. K. Aravindaksha Menon *(Chief Engineer)*: The officers whose names are given in the list had been appointed long before the Staff Selection Board came into operation. Many of these are still in service, some of them are over 65 years, some of them 60 all superannuated men. It is only lately that the Government passed an order that persons above 60 will be retired and many of them are going to be retired. According to this list, there are about 102 Nayars, 50 Christians of all categories, 13 Muslims, other Hindus, Ambalavasis, and others, and it is a fairly representative list. In the appointments which we are now making, we specially see that we make the appointments only in consonance with the rules of the Staff Selection Board.

*Appendix V.

LIBRARY ARCHIVES Kerala Legislative Assembly

Mr. C. R. Iyyunni *(Trichur-South)*: There is a list appended to it called supplementary. Last week for the Anamalais Road work there are 8 appointed. Out of that 4 goes to the Nayar. May I know what exactly is the reason for that?

Mr. V. K. Aravindaksha Menon *(Chief Engineer)*: Those appointments were all done by the Assistant Engineer, and after this question has been received I have instructed my office to see also to such appointments which are being made by the Assistant Engineers. I have asked them to see that they also employ men in accordance with the Staff Selection Board rules. The Anamalais road work is purely a temporary one and it is not an appointment which is normally to go to the Staff Selection Board.

Mr. V. K. Bhaskara Menon *(Cranganur)*: May I know who is the Assistant Engineer?

Mr. V. K. Aravindaksha Menon *(Chief Engineer)*: He is a Christian.

Mr. C. R. Iyyunni *(Trichur-South)*: It has been stated in this House that a circular has been issued to the various Heads of Departments that in the matter of the appointments of these menials the rules of the Staff Selection Board should be adopted.

Mr. V. K. Aravindaksha Menon *(Chief Engineer)*: The pay of these appointments are charged to works and not to the regular establishment.

Mr. C. V. Iyyu *(Kunnamkulam)*: May I know from the Hon'ble Member for Engineering whether in all appointments Trichur and Ernakulam are over-represented?

Mr. K. Ayyappan *(Ezhuvas-Kanayannur)*: It is not the policy of the Government that in future, in the menial appointments the unrepresented communities should be given greater number of appointments.

Rao Sahib I. N. Menon *(Director of Public Instruction)*: There is a rule which has been issued by the Government and it is strictly adhered to. It says that we should not only follow the rotation principle but we should also follow the principle of communal equality. In other words, if there is a shortage of the Ezhuva Community, then probably the next 50 appointments can be given only to Ezhuvas. In fact, that is the principle that is being followed.

Mr. K. Ayyappan *(Ezhuvas-Kanayannur)*: Has the Chief Engineer heard of that rule? I do not think that the Government appointing authorities are strictly following the rule.

Rao Sahib I. N. Menon *(Director of Public Instruction)*: I think the difficulty that would have been in his case is this. We usually use the words "the principle of the Staff Selection Board" whether it is a communal rotation or whether it is a question of redressing communal inequalities. We use the word very loosely. The principle of the Staff Selection Board has been kept in mind.

Mr. A. B. Salem *(Mattancheri)*: What is the pay of these appointments?

Rao Sahib I. N. Menon *(Director of Public Instruction)*: Usually it is Rs. 11

Mr. V. J. Mathai *(Planters)*: Am I to understand that the Government is going to apply this principle retrospectively?

Rao Sahib I. N. Menon *(Director of Public Instruction)*: If by applying this, 50 Ezhuvas are appointed in a sense it has got retrospective effect.

Mr. V. J. Mathai *(Planters)*: Then why not go a thousand years back and suppose there is a preponderance of a community why not give retrospective effect?

Mr. A. B. Salem *(Mattancheri)*: If there are no applications from any communities how are you going to redress the communal inequality?

Rao Sahib I. N. Menon *(Director of Public Instruction)*: With regard to the menial appointments, there is no scarcity. Even there, most officers try to find out applications from those communities.

Mr. A. Eachara Menon *(Chittur-Rural)*: Do the Government know that adhering to this principle there is a lot of legitimate complaints in certain departments, especially the Engineering Department where the maistries are all Ezhuvas. Take for instance the Irrigation Department in the Chittur Taluk. There only Ezhuvas are appointed. Now, according to the rules, the Ezhuvas are not to get it.

Mr. K. Ayyappan *(Ezhuvas-Kanayannur)*: You should not get it.

Mr. A. Eachara Menon *(Chittur-Rural)*: I am not speaking of Mr. Ayyappan's Ezhuvas. I am speaking of my Ezhuvas.

Mr. C. R. Iyyunni *(Trichur-South)*: I would request Government to have the number published in the Proceedings of the Legislative Council for future reference.

Mr. K. R. Viswambharan *(Ezhuvas-Talappalli)*: It has not been the practice formerly to publish all the statements and the matter was pointed out to the Chair during one session of the Legislative Council and it has been ruled that in important cases that the House makes the request, the list placed on the table may be incorporated in the proceedings, Mr. Iyyunni's request is that it should be incorporated in the proceedings.

LIBRARY ARCHIVES Kerala Legislative Assembly

Mr. C. R. Iyyunni *(Trichur-South)*: I do not want the names, but only the number.

Mr. President: There would be no objection to incorporating the number in the proceedings.

SAW MILL SECTION—PARTICULARS OF

105. Mr. A. Eachara Menon *(Chittur-Rural)*: Will Government be pleased to state.—

(*a*) what are the implements that our Saw-mill section contains;
(*b*) have they all been contained in the lease to Anamalai Timber Trust;
(*c*) what is the rental paid by the Trust;
(*d*) to what use were they put and how before they were leased out to the Trust;
(*e*) what was the income by such use;
(*f*) what are the causes in the fall of the cost of works done in the workshop;
(*g*) what were the causes of increase in the matter of derailments and accidents;
(*h*) who was responsible for such state of affairs;
(*i*) was any enquiry made and if so with what result?

Mr. T. Narayana Menon *(Conservator of Forests)*:

(*a*) There is no Saw-mill section at present as all the Saw-mill machinery have been sold away.

(*b*) to (*f*) do not arise in view of the answer to (*a*).

(*g*) The assumption is not correct.

(*h*) and (*i*) No answer necessary in view of answer to (*g*).

Mr. A. Eachara Menon *(Chittur-Rural)*: With reference to answer to sub-division (*g*) am I to understand that there is increase in the number of derailments and accidents? The administration report says otherwise. There were 9 derailments as against 5. Is it increasing? There were four accidents against 2. Is it increasing?

Mr. T. Narayana Menon *(Conservator of Forests)*: A better idea of the present position can be had if I furnish statistics of derailments for the last 15 years.—

1102	.. 56 derailments		1107	.. 21 derailments		1112	.. 12 derailments	
1103	.. 30	,,	1108	.. 22	,,	1113	.. 5	,,
1104	.. 38	,,	1109	.. 21	,,	1114	.. 5	,,
1105	.. 32	,,	1110	.. 20	,,	1115	.. 5	,,
1106	.. 50	,,	1111	.. 23	,,	1116	.. 9	,,

So as compared with the previous year though the number may have increased, there is a substantial decrease during recent years as compared with the past.

SWEEPERS AND OTHER MENIAL SERVANTS—APPOINTMET OF—CHALAKKUDI HOSPITAL

106. Mr. C. K. S. Moni *(Nominated)*: Will Government be pleased to state.—

(*a*) the names, communities and native places of persons appointed in the menial service ncluding sweepers in 1116 and 1117 in the Chalakkudi Hospital;
(*b*) how many of them were the servants of Dr. Iype and their names;
(*c*) is it not a fact that one of the servants, namely Ayyappan was called as Ouseph before his appointment;
(*d*) the names of those who have resigned;
(*e*) were there not applicants from Ezhuvas and Pulayas of Chalakkudi for any of these posts?

Dr. T. Verghese *(Chief Medical Officer)*:

(*a*) The list is appended. *(Appendix VI)*.
(*b*) K. K. Ayyappan (No. 7) has worked occasionally in Dr. Iype's garden.
(*c*) No information.
(*d*) A. Velayudhan and C. K. Velayudhan.
(*e*) Yes.

LABOUR UNITS SENT FROM THE STATE—PARTICULARS OF

107. Mr. A. V. Moothedan *(Chalakkudi)*: Will Government be pleased to state.—

(*a*) how many labourers were sent from Cochin for Assam Road Construction;
